## **Eltel signs a two-year agreement with TDC in Denmark worth about EUR 20 million**

**Eltel's Communication business in Denmark has as a part of a consortium extended a current agreement to establish TDC's fiber systems and maintain their fiber network in Denmark. Eltel's part of the contract is worth about EUR 20 million.**

The agreement is valid for two years from June 2019 until June 2021, with the possibility of one year extension.

The consortium is called Fiber & Anlæg and consists of Eltel, Petri & Haugsted and Munck Forsyningsledninger. Eltel's part of the consortium is 40 percent.
