Eltel Finland signs a three-year telecom frame agreement worth about EUR 25 million

Eltel's Communication business in Finland has signed a three-year continuation of its current frame agreement with a large Finnish teleoperator. The agreement covers service contracts for new mobile telecom works worth about EUR 25 million.

The scope includes planning, construction, installation and maintenance at the customer's network sites.

The agreement and planning process start on January 1, 2020.
