## **Eltel signs a three-year telecom frame agreement in Norway worth about EUR 11 million**

**Eltel's Communication business in Norway has signed a three-year frame agreement with Telia, a Nordic telecommunications company, to roll out Fixed Wireless Access (FWA) in Norway. The agreement is worth about EUR 11 million.**

The scope includes planning, coordination and installations of FWA, fixed broadband over the mobile network.

The three-year agreement is valid from November 2020 through December 2023 and includes options for one-year periods thereafter.
