## **Eltel delivers masts and towers to the Swedish Armed Forces in new framework agreement - worth up to EUR 35 million**

**Eltel and the Swedish Armed Forces have signed a framework agreement for the manufacture of masts and towers, as well as parts for these. The agreement runs for two years with the possibility of extension for another 5 years and has an estimated ceiling volume of EUR 35 million (SEK 400 million) for the entire contract period, including options.**

Eltel's masts and towers are designed and constructed by Eltel's constructors in Arboga and manufactured in Sweden.

Eltel already has agreements for maintenance of masts and towers, as well as agreements for installation and contracting services at the Swedish Armed Forces' garrisons and air bases.
