Eltel signs frame agreement in Norway for NOK 180–200 million, about EUR 17–19 million

Eltel Norway has entered into a three-year frame agreement for fibre work and Fixed Wireless Access (FWA) with a new customer, Viken Fiber, Norway's largest fibre company. The three-year agreement is worth about NOK 180–200 million, about EUR 17–19 million.

The contract covers readiness, repairs and fiber installations for single-family houses and housing associations, as well as FWA-installations.

The contract period starts April 2023, and the work will cover all of Viken Fiber's areas in Eastern Norway. The agreement includes two additional option years.
