Eltel signs a three-year frame agreement with Telia in Finland worth about EUR 110 million

Eltel's Communication business in Finland has signed a three-year continuation of a current frame agreement with Telia regarding fixed and mobile telecom services. The agreement is worth about EUR 110 million.

The agreement includes a wide range of telecom services, including 5G rollout, and is a continuation of an existing frame agreement with Telia.

The agreement starts during the first half of 2021 and is valid for a period of three years.
