Eltel signs 5G agreement in Norway worth EUR 36–40 million

Eltel Norway has signed a project agreement with Telenor to further upgrade Telenor's telecommunications network with 5G technology. The agreement is worth about EUR 36–40 million.

The project runs during 2023–2024 and strengthens Eltel's leading position in the Norwegian market regarding the expansion and modernization of telecommunication networks through 5G.
