Eltel signs a three-year frame agreement with Telia in Finland worth EUR 70 million

Eltel's Communication business in Finland has signed a three-year continuation of a current frame agreement with Telia regarding fixed and mobile telecom services. The agreement is worth about EUR 70 million.

The agreement encompasses a wide range of service packages, including the construction, maintenance, and fault repair of fixed and mobile networks, as well as customer deliveries in Finland. This agreement is an extension of the current agreement between the companies.

The new agreement will be taken into effect on April 1, 2025, and has a duration of three years, with an option for one additional year.
