Eltel signs one-year agreement with Telia in Finland worth about EUR 30 million

Eltel Finland has entered into a one-year extension of its ongoing delivery agreement with Telia Finland, covering fixed and mobile telecom services. The agreement is worth about EUR 30 million.

Through this agreement, Eltel continues to be Telia's partner for a wide range of telecom services, including 5G rollout, fixed and mobile networks construction, installation and maintenance. The extension will be in effect for one year, beginning on 1 April 2024.
