Further information regarding postal voting

The shareholder cannot give any other instructions than selecting one of the options specified at each item in the form. If the shareholder wishes to abstain from voting in relation to a matter, kindly refrain from selecting an option. A vote (i.e. the postal voting in its entirety) is invalid if the shareholder has provided the form with specific instructions or conditions or if pre-printed text is amended or supplemented.

Only one form per shareholder will be considered. If more than one form is submitted, only the form with the latest date will be considered. The form latest received by Eltel will be considered if two forms are dated at the same date. An incomplete or wrongfully completed form, and a form without valid authorisation documentation, may be discarded without being considered.

The postal voting form, together with any enclosed authorisation documentation, shall be received by Eltel no later than on 6 May 2026. A postal vote can be withdrawn in the same manner as the vote was submitted. Such withdrawal shall be received by Eltel no later than on 11 May 2026.

If a shareholder has voted by post, and thereafter participates at the Annual General Meeting venue, either in person or through a proxy (after due notification of intention to participate), the postal vote is invalid.

Note that the postal vote is not a notification of participation at the Annual General Meeting venue. Shareholders who wish to participate at the Annual General Meeting venue, either in person or through a proxy, must notify the company of this in accordance with the instructions in the notice convening the Annual General Meeting.

For proposals regarding the items on the agenda, kindly refer to the notice convening the Annual General Meeting and complete proposals on Eltel's website www.eltelgroup.com.
